

QUID

Quality, Inclusion & Digitalisation

2021-1-IT02-KA220-SCH-000032518

What's happened since Newsletter 5?

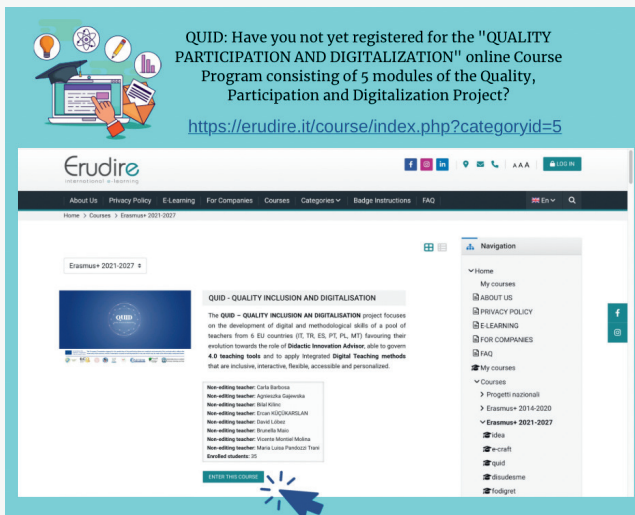

The QUID Project Transnational Meeting was held at the UNED Faculty of Computer Science in Madrid, Spain.

Partners from Italy, Portugal, Spain, Malta, Poland and Turkey shared the work done and planned the final actions of the project.

The introductory meeting of the
"QUALITY INCLUSION AND DIGITALIZATION"
Course Program of The QUID: Quality, Inclusion & Digitalisation
Project, consisting of 5 modules.

The introductory meetings of the "QUALITY PARTICIPATION AND DIGITALIZATION" online Course Program consisting of 5 modules of the QUID: Quality, Participation and Digitalization Project have started.

**OUR
TRAININGS
"Erudire"
Training
Platform
has started
online.**

OUR MONTHLY MEETINGS WERE HELD ONLINE

In our monthly meetings;

- The situation of the participants in the digital course, which is the outcome of our project, was discussed. Pilot practices in each country were discussed.
- Plans were made for the "multiplier effect" event that each partner would hold in their own country.
- Plans were made for the closing meeting of the project to be held in Salerno, Italy.

MULTIPLIER EVENTS

Project partners held a "meeting"
with planning in their own countries.

QUID Project Closing Meeting

The Closing Meeting of our QUID Project was held in Salerno, Italy, with the participation of all our partners.

MEET THE TEAM

Liceo Statale
ALFANO I
Salerno
